ANTHONY L. SMITH, and a minor, by

WILSON,

Plaintiff,

v.

BOARD OF POLICE COMMISSIONERS,
Et al.

Defendants.

Case No.: 4:12-cv-00202-JCH

I Kevin Cosentino state as follows:

1) I am a retired Special Agent of the Federal Bureau of Investigation (FBI) currently employed as a contract Senior Forfeiture Investigator at the St. Louis Division Headquarters of the FBI.

2) On a variety of occasions in the past I have been contacted by attorney, Albert Watkins, regarding different matters. On each occasion Watkins contacted me. The most recent contact was approximately two weeks ago when Watkins contacted me on my FBI hardline telephone.

3) This recent contact was in regard to the shooting death of Anthony Lamar Smith. Watkins claimed he was attempting to obtain an unredacted version of a report, which according to Watkins, identifies and documents the intentional withholding of evidence by various individuals. Watkins claimed this was a violation of the victim's civil rights and potentially a public corruption case.

4) On this occasion, as I have done on each occasion in the past, I told Watkins that the FBI would be willing to accept any information he wanted to provide, to include a full unredacted report, particularly if it provided evidence of a federal crime. I also conveyed to Watkins that if information was provided by him, I would forward the material to the appropriate FBI supervisor for review.

5) At no time did I tell Watkins that the FBI was requesting him to obtain any reports on behalf of the FBI.
